NEWARK SENIOR HIGH SCHOOL VOLUME 66

WRIGHT STREET NEWARK, OHIO 43055

The 1976-1977 school year was an unusual year in many ways. For most of us, it will be the year we will always remember. It will be the year of the energy crisis, the unusual weather, school closings, cancelled events, etc. Yet, Newark High's approximately 2100 students and 125 faculty and staff members spent a great deal of time doing one thing in common . . . waiting. What they waited for, what they are waiting for, and what they will wait for as the years go by can be seen in this pictorial and written account of the months from September — June. WE'VE ARRIVED!

The first day at Newark High School was (how should we say?) an experience. As the long-awaited day arrived, the school came to life again with students and teachers. The unsuspecting sophomores looked up in admiration at the worldly juniors and seniors, and the teachers just looked down in dismay. The first day brought many reactions such as boredom, excitement, loneliness, self-consciousness, and confusion. Friendships were made and renewed, and summer experiences were put in the past as the new school year began.

COMING HOME!

Queen: Christi Lammers, Denise Bradley, Kathy Hannahs, Diane Englefield, Myrna Markle;
King: Mike Chandler, Dave Hottinger, Tom Dyar, Jeff Reed, Jimbo Salyer.

Friday, October 22, started out cold; the thought of a victory warmed even the coldest fans. The game was Newark versus Marietta, and the air was filled with excitement as Newark romped to a 26-14 victory. Homecoming had started with a sweet victory and the crowning of queen Christi Lammers and king Mike Chandler only added to the festivities. The senior float soundly beat the efforts of the juniors and sophomores. On Saturday night the traditional dance with flowers, dresses, and suits had everybody looking good for the Harvest Moon Homecoming. Couples danced to the sounds of Gold Coast in the N.H.S. gym from 9:00-12:00 as the night was brought to a close. Memories of a special weekend were made — some which will last forever.

BOOKS ARE A BLAST!

Newark High's 1976 Book Fair, held in the auditorium lobby, was a success. A wide range of books were available to choose from, and to promote sales there was a drawing for five, ten, and fifteen dollar gift certificates. The winners were Tim O'Keefe, junior — \$15.00; Gail Zolo, senior — \$10.00; and Becky Baumgartner, junior — \$5.00. The 1976-77 yearbook staff worked to keep the Book Fair organized and well run.

Students reaction to the Book Fair was generally good. Many students brought books for gifts as well as for themselves, and many students went to the Book Fair more than once. Some criticisms were: not enough book selections for different tastes and the Book Fair didn't run long enough. Next year will probably see solutions to these criticisms, according to the Reveille staffers.

SANTA BOOGIES!

A Christmas Dance, sponsored by the Junior Class Council, was held on December 21 from 7:30 p.m. — 10:30 p.m. in the gymnasium balcony. Students boogied to the music of the band Stratus, led by Leon Spencer. To add an extra highlight to the occasion a surprise guest, Santa Claus (Earl Karch), sleighed his way through the crowd to bring his holiday spirit to one and all.

Newark High really had the holiday spirit at the 1976 Christmas Assembly held on December 22 in the gymnasium. The band and orchestra got the spirit going with some holiday tunes and Mr. Beadle added to the cheer with his imitation of old St. Nick. The choir groups sang up a storm and the swing choir's rendition of "Fruitcake" had everyone laughing. The assembly ended in joyous refrain as students once again maintained a regular school day routine.

SOMEONE TURN THE HEAT UP!

The winter of '77 has truly been one to remember. As the freezing snow came and blanketed Newark High, it seemed to stop all activities. Old Jack Frost began the season nipping noses, toes, and even poor unsuspecting fingers. As the temperatures dropped and many schools closed, Newark High Students braved the terrible winter for the sake of education. Some of the halls and sidewalks were as slick as ice as N.H.S. students learned to shoe skate. As the drifts piled up, a few even learned to mountain climb. Who said school isn't fun?

WE'RE FANS-TASTIC!

Football, basketball, baseball, track, swimming! What do they all have in common besides being a sport? They all have fans! And if you are a fan you have your own reasons for going to the games. Some people are loyal fans of NHS who went just to cheer their favorite school on to victory. Then there are the fans who went to scheme on other fans, preferably of the opposite sex, meet friends, and have a good time watching or not watching the game. Some people went to games to get out of the house, party or make fun of the other team's fans. Whatever the reason, NHS students went to the game and found a fan fitting one of these categories.

WHAT A BITE!

Have you ever walked in one of the buildings between 11:00 and 1:10 and wondered why there is so much noise? Well, that's when all the lunch periods are held. If you were looking for someone during that time, it would almost be impossible to find them. You could find them wandering around the buildings or maybe out on the grass playing frisbee or football or maybe even down in the bathroom. Come rain or shine there is always someone down at the pit having their daily cigarette. They could even be in the lunch rooms eating and goofing off. Where ever you look though, hope you find whoever it is you are looking for.

AS THE "CAROUSEL" TURNS

In November, the drama, choral, and orchestral departments presented the Rodgers and Hammerstein musical Carousel directed by Thomas Humphrey and Lula Vaia. The play was about a cocky, young carnival barker, Billy Bigelow, played by Joe Jones, who ran a carousel for Miss Mullin, played by Cindy Fish. Miss Mullin was in love with Billy, but Billy was in love with the beautiful mill girl, Julie Jordan, played by Cathy Brown. Billy and Julie got married. Miss Mullin fired Billy, but she said she would give him back his job if he would leave Julie. Billy refused because he found out Julie was pregnant. He needed money, so he and his friend Jigger, played by Kevin Atwell, decided to rob a ship. They got caught, but Jigger got away. Billy stabbed himself to keep his

daughter from finding out. He went to heaven, but was told he couldn't get in unless he went back to earth and did something good for someone. As the years went by, his wife had been shunned because she was a widow and her husband was a thief. Her only friends were Enoch Snow, played by Jim Bradley, and his naive fiance Carrie Pepperidge, played by Barcy Stricker. Billy's daughter Louise, played by Gale Jenkins, found out that her father was a thief and so she feels that she can't do or become anything. When her graduation night came, Billy came back and told her to believe in herself. She then joined in with her class and had faith in herself.

The show was a success as it played to two packed houses and a group of area senior citizens.

. . . AND OTHER GREAT HITS!

From the ancient Greeks to Shakespeare to a modern playwright, Newark High's actors & actresses have done them all. Antigone, a Greek tragedy was modernized so the audience could grasp the full effect of the story. It played to an NHS audience, a Thespian convention in Cincinnati and numerous English classes so many people could see this superb play. As You Like It, a Shakespearean comedy played four days to the delight of many playgoers (and English teachers) and many students went to learn more about Shakespeare's writing ability. Our Town, a sophisticated drama set in America at the turn of the century played on March 4-5. These superb plays showed how talented the actors and actresses in "our town" are.

DO YOU KNOW?

A lot of people know what In-the-Know is, but for those of you who don't, it's a team of students who compete against other schools in their knowledge of past and present world affairs and arts. This year's team consists of Pam Lombardo with a total score of 19 questions out of 31 for 155 points, while Sue Robb scored 23 out of 44 for 210 points, Barcy Stricker scored 9 out of 17 for 125, and Steve McDonald scored 4 out of 9 for 70 points. Their first alternates were Kelle Zeiher, Mike Mettile, Mach DeBenedictis, and Cheri Minsterman. Their second string consisted of Arlin Hill, John Shepard, Terri Hollenback, Jeff Kinder, and Patti Fitzpatrick. Even though they are only first and second string, they also put a lot of effort into the games and preparing for them. The timer was Helaine DeBenedictis and scorekeeper was Marie Long. The team met four times a week. On January 31st they played Columbus Whetstone and won 190 to 120. April 11th, they played Columbus East which was won 25 to 80. March 26th the team went to the Cleveland Art Museum for a day. They finally got beat by Delaware Hayes on May 16 with a score of 185 to 120. They made it to the semi-finals with the help of the Hunt Carlisle Fan Club. Mr. Johnston and Mrs. Robertson serve as advisers.

THEY DID IT THEIR WAY!

BACK IN THE HALLWAY AGAIN!

Perhaps you've been pushed, shoved, stepped on, knocked down, grabbed a hold of, or got something knocked out of your hands. If so, you more than likely were in the halls of N.H.S. during one of our breaks, in between classes, or during lunch. Well, don't feel bad, we've all gotten it some time or other.

If you were ever up at NHS's "Pit", what you would find is this: kids smoking cigarettes, talking to friends, throwing a snowball or maybe a frisbee and possibly people just kicking back and enjoying the weather. Whatever it may be, no matter what time of year, or if the weather is seven below or eighty-nine above, you could always find the "ol' faithfuls" having their fits until they light up a smoke.

Ever been wandering around in a big open place with a bunch of crooked parking spaces, smashed bumpers and the like? Well, there's no mistake in guessing your whereabouts. The student parking lot is quite a jungle, with all the horn honking, wheeling and dealing, yelling, and fender benders. And after finding your party'n pals, you stand and talk or plan a race, or may be even go to class. Well, that's life in Newark High School's student parking lot.

COLOR MY WORLD!

There are a lot of people at N.H.S. with talent for art. You can go just about anywhere and find a drawing. When you walk into a classroom, sit down at a desk and look down you can almost always find some kind of art work scrolled all over the desk. There is usually some kind of art work in the showcase windows of the buildings. Go down to the art building and you could probably find someone drawing or painting a picture. Just look around and wherever you look, there is always some kind of art.

YOU'RE MY BEST FRIEND!

LET'S GO TO THE HOP!

Shoo bop, shoo bop, ba da da da da da da da da da da . . . What would you do if you came to school one day and people looked as though they had one, two, three o'clock, four o'clock rocked? There was a day at Newark High when students dressed from the past. The slicked back hair, the pony tails and bobby socks, the Fonzy fellows . . . ooh! To make it seem like the music from way back, when Pat Boone, Fats Domino, Nat King Cole, and many other great singers sang, people brought albums to listen to or even danced dances like the jitterbug or the stroll. The styles of today are on their way back to that hoppin' and boppin' way of dressing. Even those who really didn't mean to dress for the 50's still seemed to fit right in with the 50's fad. On April twenty-third, there was even a special dance held, to inspire the memories. Styles change lots of times and this year's styles seem to be on their way back to five, six, seven o'clock, eight o'clock rock, nine, ten, eleven o'clock, twelve o'clock rock, we're gonna rock around the clock tonight . . .

SOME UPS AND DOWNS AT NHS!

At Newark High, there are odd occasions when you'll see almost everyone either dressed up or dressed down. During dress up day you might see girls in dresses, gouchos, or pantsuits and boys in leisure suits or just nice looking outfits. Then comes dress down day, the

time when true imagination comes out, with lots of people in their faded jeans covered by patches and holes and their oldest shirts. It's like show and tell. It's really kind of neat to see people dressing to impress each other, whether it be up or down.

The 1976-1977 school year was very newsworthy and one never to be forgotten (at least not soon). A peanut farmer from Georgia named Jimmy Carter was elected President. The first amendment was debated in the trial of Larry Flynt and his Hustler magazine. Billionaire Howard Hughes died leaving about fifty different wills. Barbra Walters became the first woman newscaster, coffee prices zoomed, the teenage employment rate went up, the fiftieth anniversary of Lindbergh's trans-Atlantic flight, Stevie Wonder beat Peter Frampton for the best album Grammy award, Rocky became the best movie of the year, Farrah Fawcett-Majors became the pin-up queen of all time beating Fonzie, King Kong, and Marilyn Monroe. Local news saw Newark have a wave of fire drills and a snowbound winter.

PROMGOERS CLIMB

On a warm, spring May 21, the Junior-Senior Prom was held at the Elk's Lodge from 9:00-midnight, but this was only the beginning of the night. Promgoers danced to the sounds of The New Image. Lisa Smith was elected queen with Connie Musick, Jackie Reese, Cathy Brown, and Cristi Lammers as her court. The senior after-prom was held at the YWCA with the band Stratus providing the tunes. The junior after-prom was held at the YMCA with the band Andromeda providing the music. Gambling, eating, socializing, prizes, friends, formals, pictures, and memories made this a very special night.

"STAIRWAY TO HEAVEN"

IT'S THE RIGHT TIME OF THE YEAR

For teenagers, the best time of year is always spring and summer. The time is right, for one reason, because school is coming to an end. Seniors, all too soon, sadly bid their good-byes to many faces which won't be seen any more. The juniors and sophomores say their good-byes, but with a much different outlook. They hope for times next year with even new and old friends. The last weeks of school are happy times. The singing birds, the budding of trees, the greenness of life, it all brings a spirit of love and adventure to everyone's eyes. At Newark High the same thing goes — couples sit beneath shade trees, other plays play football or frisbee, friends sit around talking, laughing or planning their summer fun of peaceful easy feelings. It's a perfect time of year.

SENIORS PARTY AT ASSEMBLY

Where else can you see KISS live and in concert besides at a rock concert? Well, right here at NHS's Senior Assembly. Of course, it wasn't the real thing, but they weren't bad for amateurs. They mimed the songs "Rock and Roll All Night" and "Cold Gin." Also performing were nine senior guys dressed as ballerinas dancing gracefully around the stage. (Or could we say stumbled around the stage?) Other highlights were the stage band playing one of Carol King's songs, "Cortisone"; Joe Jones played the piano and sang "Weekend in New England;" Holly Richardson also did a solo act singing "Don't Give Up on Us Baby," with Judy Eckstein accompanying on the piano. Other highlights were the senior Wildcatettes dancing to the Kentucky Fried Chicken song accompanied by the stage band, S.A.C., consisting of Sylvia Noble, Angie Evans, and Cindy Fish, singing "Walk on Down the Road," and senior guys taking time to celebrate with Mr. Nabors and Mr. Roberts breaking it up. There was also a model show imitating the kind of clothes teachers wore to bed. Now wouldn't you like to know what Mrs. Klink really wore to bed?

THE DAY HAS COME AT LAST

To most students at N.H.S., their favorite day is the last day. The last day of school will find most people running around saying their goodbyes until next year, and the seniors saying goodbye forever. As you walk down the halls you'll see people cramming for their next exam or just walking along taking life easy. But no matter what you see them doing, you can bet they are glad it's the last day of school.

You've Come A Long Way, Baby!

Finally! The time you've all waited and worked twelve hard years for has come. That's right, graduation. Anxious hearts were everywhere just waiting for their final walk — the walk to a new career and a new life when each of Newark High's 650 students in the graduating class came to White Field to receive their diploma. On June 12, 1977, it all happened. For seniors, it was a long wait.

Row 1: Chris Nelson, Rob Randolph, Colin Price, Rob McClellon, Gail Hill, Row 2: Roger Hill, Mark Pezzopane, Alan Hanson, Bob McGill, Tom Barnaba, Coach Phil Torrens.

The N.H.S. cross country runners ran into problems this year. Coach Phil Torrens stated the problems this year as inexperience and not enough members on the team. However, the future looks quite good since all of the members of the team are either juniors or sophomores.

Bob McGill was the most consistent runner; Tom Barnaba and Alan Hanson were the most improved runners.

FOR SECOND YEAR;

This year the NHS football team chalked up another impressive season. Despite their three losses, the 'Cats came back and clinched the C.O.L. title for the second year in a row. Coach "Hoss" Starr was again awarded Coach of the Year honors. The practices were long, hard and cold, but it all paid off for the 'Cats. Beating Upper Arlington and Zanesville are what really took the C.O.L. title. Of course, Chillicothe was the icing on the cake. Coach Starr, retiring after this season, sees next year's team as excellent because of a number of promising sophomores. The juniors that will be seniors next year will have to show strong leadership to make it another successful year.

STARR RETIRES;

After twenty years of coaching, the last fourteen years as head coach, Paul "Hoss" Starr has resigned from coaching.

Starr has been head coach at Newark for eight years. That is an experience which he says "wouldn't be traded for anything." His record of 100 victories, 39 losses and 2 ties is really an achievement.

Starr started thinking about spending more time with his family, being able to do things that weren't possible before because of football. Of course, he will miss the challenging things football placed on him, although he doesn't think he will miss the physical and emotional drain of football.

Coach Starr has received many awards for his coaching career. In 1975 he was named the Central District Class AAA Coach of the Year. He also repeated the honor in the C.O.L. and Region 11. In 1976, he repeated as C.O.L. Coach of the Year and in the regional also.

GIRLS FINISH TEN-

Row 1: Mrs. Smith, Jane Kelch, Karen Wollins, Ruth Miltimore, Teri Carey, Beth Howard. Row 2: Carolyn Zolo, Myrna Markle, Jenny Wright, Suzanne Adams, Cathy LeFevre, Gail Zolo.

In the first year of varsity and reserve competition, the 1976 Newark girl's tennis team competed very favorably. Under head Coach Mrs. Janet Smith, eleven girls brought their record to an overall 8-3 and their COL record to 4-2. The girl's tennis team ended the season by placing third in the COL tournament. Considering this was their very first year, Coach Smith felt this was very commendable. The girls who tried out had to last through the August practices and had to play a round to determine first through eleventh positions. All together there were fifteen girls who tried out. Practices lasted two

hours a day in August and reduced to one and one-half hours from September through October. Though this was their first season, it went very smoothly since getting a new program set-up is always a problem.

Mrs. Smith would very much like to see more girls try out and have more matches added to the schedule. Mrs. Smith, who loves coaching, said she probably learned much more from the girls than the girls learned from her. She says with a year's experience, she plans to do a better job as a coach in the future.

TENNIS SEASON, 8-3

GOLF TEAM NOT UP TO PAR

Although this year wasn't the best year for the golf team, Coach Jerry Hatcher pointed out that next year should be a successful year with only two players being lost to graduation.

Overall, the team lacked experience and consistency. This could have been accounted for by the fact that the team had matches five days a week during some weeks. This left very little time for practice.

Coach Hatcher enjoyed his first year as head coach. He felt that although the team didn't have a good year, they learned a few things about golf, themselves, and life, which is what any form of athletics is all about.

Jim Steveming and Jack Larry were the top players. Jim, a senior, was captain of the team and won the medal for the lowest average; Jim had an 81 in the sectional on a bad day which was the fourth best score and just missed going to the district. Jack Larry had a low nine hole score of 36.

Row 1: Chris Roberts, Gary Brooks, Mark Scarrett. Row 2: Brian Knobe, Brad Clark, Jack Larry. Absent: Jim Stevning.

VOLLEYBALLERS HIT

Row 1: Misse Duncombe, Sue Sittler, Cheryl Lehman, Cathy Edly. Row 2: Julie Jones, Mindy Riggs, Myrtle Choice, Roberta Cook, Diana Hurdiss. Row 3: Linda Coventry, Debbie Dougherty, Kim McCloud, Lisa Dispennette, Sonya Hoban.

Newark's volleyball players did very favorable considering the varsity team consisted of many juniors. Both teams improved greatly throughout the season and next year looks very hopeful. Both teams, varsity and reserve, worked hard all season, and there are a lot of hopes for next year's varsity team. "Both teams were inexperienced from the start, but they put a lot of hard work into playing. Practice consisted of five days a week, and by the end of the season, they came out to be a hard working team that played very well together. It's just too bad that they didn't reach this earlier in the season," said Coach Pumpelly. The teams didn't compete in COL league play, but they did have a COL tournament that was held in Lancaster which was won by Upper Arlington. "In the COL league, Upper Arlington is by far the best team," stated the coach. She also thinks that they should play against more Columbus schools

because this will get them ready to play and beat the schools they do play now because she thinks Columbus schools play volleyball better than the schools around us play. The only problem that was mentioned was that the teams were inexperienced; nevertheless, the varsity played to a 10-5 record, and the reserve ended with a 9-4 record.

OUTSTANDING ATHLETES IN VOLLEYBALL —
Myrtle Choice, Cheryl Lehman, Susan Sittler, and Diane Hurdiss.

YOUNG WRESTLERS

Row 1: Bob Jobes, Paul Goulke, Mike Chandler, Paul Kerr, Bobby Yost, Jamie Ciminello, Dan Kaiser. Row 2: Brian Walsh, Bob Seaton, Mike Watson, Barry Neighbor, Phil Holcomb, Lenny Schlemitzauer, Dave Bradford. Row 3: Corny Greeve, Corby Darling, Dave Evans, Dave Garner, Tim Scanlon, Jeff McElwee, Scott Richardson, Mike Hill, Dan Crawford. Row 4: John Whiteside, Mike Watson, Steve Stansberry, Mark DeGarmo, Scott Warrick, Dave Veits, Mark Scarrett, Dennis Schlemitzauer. Row 5: Dave Smith, John Grover, Jerrell Workman, Jim McPeck, Donald Wagner, Jim Atkinson, Brad Merriam, John Fohl, Steve Lee. Row 6: Assistant Coach Dean Somerlot, Kenneth Nichols, Chris Pickering, Pat Snor, Coach Jerry Hatcher.

This year's wrestling team was extremely young and inexperienced, which may have caused somewhat of a slow start. However, that young and inexperienced team can expect some big improvements next year. Out of a team of 36 members, 26 members were sophomores, which should make a very strong junior class next year. The team did improve throughout the year and peeked at the C.O.L. meet. Newark finished third in the meet behind Grove City and U.A. Individual C.O.L. champions were Jamie Ciminello at 98 lbs., Paul Kerr at 112 lbs., Dave Bradford at 138 lbs., and Mike Chandler at 167 lbs. In the sectional meet Phil Holcomb, D. Bradford, and M. Chandler advanced to District. In District, Bradford finished 4th, Holcomb, 2nd. Holcomb qualified for state. Bradford, Holcomb were chosen outstanding wrestlers on the Varsity squad, Mike Hill was outstanding reserve wrestler and Brian Walsh won the Wildcat award for outstanding effort and determination.

Newark's basketball players did reasonable well considering it was a rebuilding year, and they had many cancellations. The only problems they encountered were the facts that they need more people to be managers and dedicate themselves to basketball and to get people to come to their games. Mrs. Walters, the coach, stated that Triple A schools have been tough, and on account of this they had several scrimmages early in the season to help them get prepared for the season. The Coach's outlook is optimistic if there will be a good return of players who are ready and willing to work hard and put time into basketball. The Coach would also want to mention some "thank-you's" to all the managers, timers, statisticians, Miss Pumpelly, Mr. Allen, and to the team.

A WINNING YEAR

This year the 'Cats had another successful season, although they were plagued by injuries. This was one of Newark's best years in shooting even though they were not so hot in the tournaments. The 'Cats averaged sixty-eight points a game.

Coach Walters commented that beating Middletown was the highlight of the season. Chris Franga and Chris Ash were this year's senior stars. They both made first team all-C.O.L. Franga made second team all-district, Ash first team all-district. Bill Keck, Mike Ward, and Kelly Wohlheter also had a good season. Mike Ward and Kelly Wohlheter were honorable mention all-C.O.L.

It will take strong leadership of seniors next year to give the 'Cats a more successful season.

WILDKITTENS HIT FOR

Row 1: Mark Montgomery, Raymond Bonner, Brian Dunlap, Brad Prugh, Mitch Sellers, Johnny John, Pat Parkhill. Row 2: Tim Adams, Mike Nethers, Randy Wilson, Jeff Maier, Paul Nabors, Steve Dawson, Ken Black, Mike Ogilbee, Doug Hollingshead, Coach Gary Vermilion.

WINNING SEASON

GYMNASTICS

Row 1: Lisa Dispennette, Lynn Heatwole, Tina Bowers, Lynnette White, Diane Dusenbery, Coach Dawn Worley. Row 2: Melanie Thompson, Diane Hurdiss, Teresa Dalton, Barb Solt, Cathy Bowermaster, Julie Miller.

The 1976-1977 Newark Gymnastics team's results were rather pleasing considering they encountered some problems dealing with the weather. Between January 15th and February 3rd, the team had four meets cancelled, some of which were very important. The team had five teams on their schedule that they have never competed against before. These five teams were Bexley, Brookhaven, Westland, Franklin Heights, and Buckeye Valley. They have played those teams in the large district meet, though. All but one meet between the five listed were cancelled by snow. Another problem they had was with the judges. It was so hard even to get the minimum number (4) for a meet and then several times they didn't even show up. Coach Dawn Worley stated that with the spectators they really had an improvement. She said that in the past the teams would be lucky to get five people to come watch, but this year they had as many as thirty people who came several times to watch. Plus they even had more people going to their away meets. The coach stated that the girls worked hard for five months at Franklin, and she wishes they could have

more fan support. She also stated that they didn't even make enough money in gate receipts to pay their bill for the ribbons they awarded at the meets. Diane Dusenbery was selected Most Valuable player. She had top single score in all four events, Best average score in all four events, and became the first and only Newark Player to compete at the advanced level. She has also been selected to be a member of the Eastern Kentucky gymnastic team next year.

CHEERLEADERS

Varsity: Row 1: Val Tarter, Kathie Hannahs, Katy Griley. Row 2: Pam Whitefield, Janice Bradley, Dianne Dusenberry. Reserve: Row 1: Tanya Winston, Sandra Alexander, Linda Serfozo, Lynn McIllyar. Row 2: Lisa Clark, Becky Baumgartner, Teri Taylor.

CHOICE WINS LONG

1977 Girl's Track and Field Team: Teresa Carey, Myrtle Choice, Laurie Davis, Misse Duncombe, Lynn Griggs, Kathie Hannahs, Mindy Hawk, Sonya Hoban, Diane Hurdiss, Lisa Jones, Kelly Kincaid, Sandy Kirkendall, Cindy Lambert, Cheryl Lehman, Margaret Richards, Cindy Ryan, Pam Turner, Tanya Winston, Julie Miller, Amy Nold. Managers: Marce Bradford, Darlene Back, Lauren Shonbarger. Advisor: Miss Pumpelly.

This year's girl's track and field team was very successful. They got third place in their district, and they took two girls to the state competition. The two girls who went to State were Myrtle Choice and Kathie Hannahs. Choice took first place in the long jump with a jump of eighteen feet nine and a half inches and Hannahs took third place in high jump with a jump of five feet six inches. The biggest problem Coach Pumpelly had was the number of participants. She wishes she could use many more girls on the team. Not having enough team members put a big load on the other girls because they have to participate in four events per meet. She thinks that with the girls who were involved this year that the team will be very promising next season. She also is getting some girls from the junior highs who she thinks offer promise for next year.

ISHES 2ND IN C.O.L.

The 1977 NHS track team had a very good year. The main event was finishing first in the Newark Relays again. The biggest disappointment of the year was finishing second in the COL.

Looking over the team, Chad Lewis was one of the outstanding team members as a distance runner. He broke the school record for the mile run twice. He now holds the school record in the mile run at 4:23:6. He also qualified for the state meet. Other outstanding members were Paul Bridge in the field events and Mike Ward and Cornelius Cherry as sprinters on the squad. Jeff Wachter was voted most improved member of the 1977 team.

ERS CHOPPY SEASON

Although the NHS swim team won only four out of twelve swimming meets this year, the Aquacats did finish third in the C.O.L. league meet at Upper Arlington. One of the main problems this year's team faced was the weather, which caused the cancellation of four meets.

Next year the Aquacats should be strong because of the experienced swimmers returning from this year's team. They are: (second year award winners) Nancy Price, Tom Schmidt and team manager Larry Lowendick; (first year letter winners) sophomores Brad Hunt, Bob Shadwick, Rocky Smith and junior Curt Kitchens (a transfer from Utah). Third year award winners were seniors: Chip Hammack, Mark Justice, and Reagan Minser.

Among the awards given this year were: The "Most Improved Award" which went to Rocky Smith; The "Most Valuable Award" which went to co-captain Chip Hammack; Reagan Minser (co-captain) received an award for finishing sixth in the State Diving Competition; Chip Hammack received an award for finishing as District Runner-up in the fifty yard freestyle.

19-12 SEASON

Row 1: Mike Hanes, Dave Steele, Bill Keck, Kelly Wohlheter, Jim Holmes, Tom Dyar, Tim Doup, Don Roberts.

Under the leadership of Coach Joe Neff and Assistant Coach Gary Vermilion, the baseball team enjoyed a good season with a record of nineteen wins and twelve losses. Defeating the top five teams in the district were the highlights of this year. Trouble came in the early part of the season when the 'Cats had a lack of consistency which cost them a league championship. The 'Cats should have a better season next year when the juniors come back aided by a number of outstanding sophomores.

Most Outstanding Players: Tom Dyar — Most Valuable Player; Randy Hunter — Leading fielder; Brian Walsh — Leading hitter; Jim Holmes — Leading pitcher; Frank Tomlison — "Mr. Hustle."

TENNIS TEAM ACES

Row 1: Roger Hill, Jeff Walker, Tim Ritchey, Warren Koontz. Row 2: Coach Wright, Eric Nyberg, Doug Lake, Tom Albyn, Tom Robertson, John Grover.

Row 1: Charles Koontz, Steve Sundberg, Willie Petersilge, Corby Darling, and Tom Barnaba. Row 2: Coach Wright, Roney Murphy, Tracy Hollis, Todd Chapman, Johnny John, and Steve Carpenter.

This year the Newark High School tennis team had its winningest season in the history of Wildcat tennis.

This year's seniors were Eric Nyberg, Tom Robertson, Doug Lake, Tim Ritchey, Jeff Walker, and John Grover.

Juniors and sophomores were: Tom Albyn, Roger Hill, Steve Sundberg, Kirk Vanatta, Warren Koontz, Charles Koontz, Roney Murphy, Tracy Hollis, Steve Carpenter, Corby Darling, Willie Petersilge, Todd Chapman, and Johnny John.

Led by Grover, fifteen wins-two losses; Lake, sixteen-four; Robertson, fifteen-five; Nyberg, fourteen-five; Hill, fifteen-four; Albyn, ten-ten; Walker, nine-two; W. Koontz, eight-five; and Tim Ritchey, one-zero, the Wildcat tennis team went fifteen-five on the season.

Though they placed third in the C.O.L., the highlights of the season were Tom Robertson and Eric Nyberg reaching the semi-finals of the AAA Central District in doubles. In dual matches, Eric Nyberg defeated the O.C.C. singles champion. Doug Lake (with some help from John Grover) beat Worthington who also were O.C.C. doubles champs. If Newark had been accepted into the Ohio Capital Conference with other Central Ohio League schools, Newark would not lose any ground during tennis season. Though this year's Newark High Tennis team was one of the best in the school's history, the tennis 'Cats will be back next year for another great season.

IFS + TRIPS = FUN + LEARNING

NORTHWEST USA & PACIFIC COAST 1976: Todd Chrisman, Pat Lombardo, Amy Taylor, Brian Williams, Christi Mettes, Brad Edwards.

During the 1976-77 school year Newark High School was involved with three International Field Studies field trips. The trip to Andros Island in the Bahamas was a ten day non-credit introduction to skin diving, SCUBA diving and marine biology. The weekend trip to Carter Caves in Kentucky was designed to introduce students to the principles of spelunking (caving). IFS conducted a 38 day field ecology trip to the Northwest United States and Pacific Coast. This course emphasized field ecology for which the students received one unit of high school credit. Newark High School students have traveled, camped, and studied in almost every national park in the United States and Canada. The teachers who plan and conduct these extended field trips feel that students learn to appreciate nature and the wilderness by becoming an intricate part of it. If you like the out-of-doors, camping, hiking, and ecology, then this may be your kind of thing. If you would like to become a part of this growing group, see Mr. Steve Holekamp or Mr. Larry Roberts.

To be an assistant, students must have passed the subject that they are interested in helping out with. Some student assistants belong to an organization known as Carbon Club. Headed by Mr. MacGregor and Mr. Wright, the club members in addition to attending monthly meetings, also go on field trips to such sights as C.O.S.I. in Columbus.

N.H.S. gridiron halftime shows were made more colorful through the efforts of the N.H.S. marching band and their special drill teams: Flag Corps, Rifle Corps, Majorettes, and the 48-member Wildcatettes. The combined groups performed at all home and away Wildcat football games and at most home basketball games. The groups also performed at several band contests around the state, including New Philadelphia and their own competition in November at White Field, and in the United Appeal and Labor Day Parades. Members for the drill teams are comprised of sophomores, juniors, and seniors and are chosen in the spring. The band and drill teams practice during the summer and attend band camp where they are taught their own particular skills. The advisors for these groups are Mr. Neumann and Mrs. Woltjen.

A black and white photograph of a young woman with glasses and a young man sitting outdoors in a wooded area. The woman is holding a book and looking at it, while the man stands next to her, looking down at the book. They are surrounded by trees and foliage.

A black and white photograph showing a group of about seven young people in a wooded area. They are gathered around a pile of leaves and debris on the ground. One person in the center is kneeling and using a tool, possibly a shovel or a probe, to dig into the ground. Another person to the left is also kneeling and looking at something in their hands. The background is filled with tall, thin trees, suggesting a forest setting. The overall scene appears to be a field study or an outdoor activity.

STUDENT COUNCIL SERVE

Row 1: Gail Richards, Mrs. Gorius, Robin Chesser. Row 2: Myrtle Choice, Denise Phillips

Y-Teens was a service organization composed of young women who are dedicated to helping others. Working through the Y.W.C.A. to help with community and school projects, the group sponsored a week-long Summer Conference and a fall Mini-Conference to further their main objective: To eliminate racism whenever and wherever it existed.

FHA, FSA, AND FNA VIEW

FHA is a group which promotes growth in the individual at home, school and in chapters and community involvement. Throughout the year they had a rock-a-thon and penny project which donated profits to the Children's Hospital. They sold other products which enabled them to attend FHA conventions and have a booth at the FHA fair.

The Future Secretaries Association held their meetings every second Monday of each month. The new members and officers were then initiated at a formal affair.

This year the secretaries had a very active year. They sold key chains, date books and candies which enabled them to raise money for their Thanksgiving party and Easter community project. The last meeting of the year was the annual banquet held on May 15 at the Granville Inn. Terri Burns was awarded a trophy for her fine achievements throughout the year.

Roberta Braunbeck was awarded a \$200 scholarship for her achievement in the medical field.

Drama Club and Thespians are a club together. They involve a lot of work but do have their times of fun. Drama Club is open to anyone at NHS. One becomes a Thespian after working 100 hours on the plays that the drama department puts on. Clubs meet on a monthly basis while Thespians meet twice a year for formal initiations. This year there have been four plays produced by the NHS drama department. The advisor, Mr. Humphrey, said, "We have opportunities available for students with all types of interests — theater is the melting pot of the arts."

STAGE TO LIFE!

Roger Knapp, Carmen Borgia, Jeff Miltimore, Robb Roediger, Karla Dillon.

Setting the scene for the stage plays is a very complicated job. The Stage and Light Crew put a lot of work into getting the lighting just right to bring out the best of the performers. Mrs. Mendenhall, the advisor, trains the group to perfection so that the lighting is perfect.

WORK OPPORTUNITIES PROVIDE

If students at Newark High School want to learn what it's really like "in the real world," they should enroll in HERO (Home Economics Related Organization). There are three divisions of HERO — job training, child care, and fabric service. These are open to all students who would like to get a head start on a job since these students usually have classes to work in or they receive on the job training. The advisors for these classes are Miss Rhonemus, Mrs. Steinbower, and Mrs. Schaff. These classes also provide many services for the school such as sewing repairs and making Christmas gifts which are very inexpensive.

Some of their projects included making and selling NHS pennants, making fluorescent bags for all fire blankets and making Christmas stockings for DECA to sell.

This year all four groups (Concert Choir, Swing Choir, Men's Chorus, Girls Glee) were commended for entertaining the community and state by countless numbers of civic and social groups. These musical groups performed everywhere from within the confines of the NHS auditorium to the Dover Choral Festival (with five other groups) in Dover, Ohio. They also travelled to Ontario (Ohio) High School, where they all received superior ratings in state large group contest. They ended the year by performing in a Spring Concert to two packed houses in late May.

Covering the activities of over two thousand one hundred students is not an easy job. It takes a large, hard-working staff to cover the activities of NHS. The staff of the Compedium, headed by Mrs. Taylor, informs the students of NHS of coming activities and achievements of their fellow students by publishing a monthly news magazine at a relatively low cost. At the end of the '76-'77 school year, these students were honored for their achievements at a banquet at the Sheraton Inn.

The NHS speech and debate club, officially known as the N.F.L. (National Forensic League), had a very productive year, both financially and competitively. Coached by William Zahn and first year coach Jeffrey Grindrod, the thirty-two member team went to several overnight tournaments around the state, carrying away many awards. The club took care of their finances by selling lollypops and candy canes. According to the coaches, it was a "very successful year."

FACULTY: I am waiting for the day when my students ask for extra homework because they enjoy doing geometric proofs so much. Do you think that will happen in 1977-1978? . . . Someday I hope more girls will want to participate in girl's athletics at the high school. I want them to give 100% both in practice and in game regardless of how tired they may be, how often they have or have not played and how many times they disagree with the coaches. Maybe girls will want to give their all someday without complaining . . . In the past, I waited for a chance to teach at the high school instead of the junior high school level. I am currently waiting for some of my high school students to become more serious about their studies and their future. In the 1977-1978 school year, I will be waiting to see the students I have now graduated and prove themselves to the real world . . . Summer vacation . . . Senior Assembly . . . To flunk all the students who make trouble . . . For lunch . . . For a raise in pay . . . For a peaceful quiet moment to myself . . . For the end . . . During

the winter of 1977-1978 I waited for warmer weather. Once spring arrived I waited for my students to get over their spring fever so that they could get back into biology. I am now waiting for the year to come that has spring-like temperatures every day so that we can be comfortable and get into biology all year long . . . I am waiting for the In the Know team to win all their matches . . . To see the faculty win the junior-senior basketball game again . . . For the announcement that there is no school on those snowy mornings . . . To have a small study hall in one of the 101 rooms . . . To have an office which is neat and clean for a change . . . To have a homeroom which really listens to the announcements . . . For the bell to ring for the last time in June . . . To have all the students in my class behave like I expect them to . . . A warm winter . . . Free lunches . . . Some days to relax and do the things I want to do when I want to do them . . . For no one to hit me up to buy something to support some club or activity which desperately needs money to keep going . . .
